HUNTINGTON UNIVERSITY

INDIANA TECH

IVY TECH COMMUNITY COLLEGE

"I could have located my business anywhere in the world, and we have many international customers using our products and services. My hometown of Huntington has been very good to me, but the reality is, you can't locate a world-class medical device company for sentimental reasons. **I chose Huntington because the local workforce, real estate market and economic development support have been world class.**"

Troy Johnson | President
Incipio Devices, LLC.
